

2015 International Conference on Pharmacogenomics

24th, Feb, 2015, Seoul National University Hospital, Seoul, Korea

PROGRAM

09:00~09:20 Registraton

09:20~09:30 Opening Remark

Chair : **Min Soo Park** (Yonsei University)

09:30~10:10 Prediction of Transporter Mediated Drug-Drug Interactions and Pharmacogenomics using Physiologically-Based Pharmacokinetic Modeling

Yuichi Sugiyama
(RIKEN, Yokohama, Japan)

10:10~10:50 The role of drug transporters in clinical pharmacology of metformin

Jae Yong Chung
(Seoul National University
Bundang Hostpital)

10:50~11:30 ABCC Transporters: A Summary of 12-Year Research in the Pharmacogenomic Research Center for Membrane Transporters.

Min Goo Lee
(Yonsei University)

11:30~13:00 Lunch

Chair : **Su-Jun Lee**(Inje Univ. College of Medicine)

13:00~13:40 Translational research of antiplatelet drugs for the personalized pharmacotherapy

Ho-Sook Kim
(Inje Univ. College of Medicine)

13:40~14:10 Personalized Therapy with Pharmacogenomics and Pharmacometabolomics

Young-Ran Yoon
(Kyungpook National University
Graduates School and Hospital)

14:10~14:40 Clinical implementation in pharmacogenomics

Eun-Young Kim
(Inje Univ Busan Paik Hospital)

14:40~15:20 Are we ready to personalized pharmacotherapy based on pharmacogenomics ?

Jae-Gook Shin
(Inje Univ Busan Paik Hospital)

15:20~15:40 Break Time

Chair : **Young-Koo Jee**(Dankook University)

15:40~16:20 Past, Present, and Future of SCAR study in Korea

Hye-Ryun Kang
(Seoul National University)

16:20~17:00 The role of immune receptors in HLA associated drug hypersensitivity

James Jin Sup Yun
(University of Western Sydney)

17:00~17:20 SCAR pharmacogenetics: how to implement

Heung-Woo Park
(Seoul National University)

17:20~18:00 Panel Discussion

Chair: **Jae-Gook Shin**
(Inje Univ Busan Paik Hospital)

Organized by

Pharmacogenomic Research Center for Drug Adverse
Seoul National University College of Medicine

Pharmacogenomic Research Center for Drug Metabolism
Inje University College of Medicine

Pharmacogenomic Research Center for Drug Transporters
Yonsei University College of Medicine

행사 사무국: 약물유전체센터 02)740-8931
사전등록기간: 2015년 2월 9일(월) 17시까지
접수 및 문의: soyoung82@snu.ac.kr
